About ESN

Erasmus Student Network is one of the largest student organisations in Europe. The network was founded in 1989 to support and develop student exchange. We are connected to more than 500 ESN sections in 40 countries. ESN Groningen is the largest section in the Netherlands and also the second-largest section in Europe. We aim to ensure that all international students have the best time of their lives here in Groningen. We do this by organising over 150 social, cultural, travel, sports and career-related events throughout the year. ESN organises two big introduction weeks for no less than **2000 students in September** and **800 in February**. In addition, we have several ongoing programmes, such as the Buddy Programme, with the aim of helping each new student to adapt to life in Groningen, and the Language Exchange Programme, where students exchange languages in an informal and social way.
